Calf Pellets 22%

High energy, high protein pellets for optimal calf growth

- ✓ Calf Pellets contain high energy, protein and are formulated to be fed to calves under the age of 4 months.
- ✓ Consists of high quality protein meals which provide bypass protein. Young stock respond very well to high bypass protein diets, with increased growth rates and improved rumen function.
- ✓ Contains high quality, digestible ingredients, formulated to aid in the development of the calf rumen.
- ✓ Calf Pellets are safe to feed, supplying high levels of buffers to maintain rumen pH and reduce incidence of grain derived metabolic problems such as acidosis and bloat.
- ✓ Has high fibre levels to promote rumination, creating a healthy rumen environment that will improve utilisation of fed and maintain safety of feeding.
- ✓ Contains high levels of vitamins and minerals to enhance growth and stock health.
- ✓ This is a premium product containing only high quality ingredients, with an unmatched nutritional analysis when compared to similar products. We encourage you to compare our product analysis with any competitors.

Pellet advantages.

- Easy to handle, can be augered and stored in silo.
- Runs very well in self feeders.
- Improved digestibility.
- Minimises wastage, reduces dust and eliminates separation of ingredients

Warning

- Use strictly as directed.
- For Animal Treatment Only.
- Do not feed to other animals – may be fatal.
- **This product does not contain restricted animal material.**

Feeding guide

- Commence feeding at a rate of 0.5% of body weight / head / day. Increase gradually over a 3 week period to 1 - 1.5% of body weight or at rate required to achieve target feeding goals.
- Ensure good quality roughage such as pasture, hay or straw is available at all times.
- Feed in troughs, self feeders or on the ground.
- When feeding in self feeders, pellet intake can be regulated by manoeuvring the shutters, lowering the shutters will reduce intake.
- Ensure sufficient trough space to minimise competition.
- Ensure supply of fresh, clean drinking water at all times.
- Call a Nutramix Representative for more information.
