

EQUINE MIX

Multi-purpose supplement for horses grazing in paddocks

Nutramix Equine Mix is a protein-mineral supplement formulated as a multi-purpose supplement for horses grazing in paddocks. This mix can be fed to young growing horses, pregnant and lactating mares. Nutramix Equine Mix contains a high percentage of quality protein meals, trace minerals and vitamins to increase production and performance on dry and lush pastures. Nutramix Equine Mix is self limiting and can be fed ad-lib in the paddock.
