Pig Breeder 18%

High Energy High Protein pellet for all breeding pigs

- ✓ Pig Breeder is a commercial quality pellet that is suitable to be fed to all classes of breeding pigs.
- ✓ It is a high protein and energy pellet that provides lactating sows with required nutrients for optimal milk production, body condition maintenance, piglet growth and fertility.
- ✓ It contains only high quality ingredients providing a highly digestible diet for growing pigs.
- ✓ Pig Breeder is formulated using high quality protein meals, essential vitamins and minerals and vital amino acids such as lysine, threonine and methionine to provide a balanced diet for growing pigs.
- ✓ Pig Breeder is one of the Nutramix premium pig range with high quality ingredients and a nutritional analysis that is unmatched. We encourage you to compare our product analysis against any competitors.
- ✓ It is manufactured in pellet form to improve digestibility, minimise wastage, reduce dust and to eliminate separation of ingredients.
