Pig Grower 18%

High energy pellets to promote maximum growth

- ✓ Pig Grower is a high protein, commercial quality pellet, designed to promote maximum growth and lean muscle and fat content in fast growing pigs.
- ✓ It contains only high quality ingredients providing a highly digestible diet for growing pigs.
- ✓ Pig Grower is formulated using high quality protein meals, essential vitamins and minerals and essential amino acids such as lysine, threonine and methionine to provide a balanced diet for growing pigs.
- ✓ Pig Grower is one of the Nutramix premium pig range with high quality ingredients and a nutritional analysis that is unmatched. We encourage you to compare our product analysis against any competitors.
- ✓ It is manufactured in pellet form to improve digestibility, minimise wastage, reduce dust and to eliminate separation of ingredients.
