# Poultry Finisher 20%

High Energy and Protein for Optimal Finish of Broilers

- ✓ Poultry Grower is a high protein and energy pellet designed for optimal growth and finish of broilers.
- ✓ It contains high quality protein meals and essential amino acids such as lysine and methionine to provide a balanced diet.
- ✓ Poultry Grower pellets are formulated to enhance growth and provide essential vitamins and minerals for bird health.
- ✓ It is manufactured in pellet form to improve digestibility, minimise wastage, reduce dust and to eliminate separation of ingredients.
- ✓ Poultry Grower Pellets are one of the Nutramix premium poultry range with high quality ingredients and a nutritional analysis that is unmatched. We encourage you to compare our product analysis against any competitors

Analysis per kg
